WHO IS SCS

The Spinal Cord Society (SCS) is a non-profit 501 C-3, large, grass roots organization linked by over 200 volunteer Chapters, a monthly newsletter and thousands of members throughout North America and 24 other countries.

Our membership includes the spinal cord injured, their families and friends. Together with dedicated scientists and physicians our ultimate goal is to cure chronic spinal cord injury (SCI).

RALEIGH CHAPTER MISSION

To promote the goals of our parent organization. 100% of the net proceeds from this event will fund cure medical research for chronic SCI.

CURRENT RESEARCH

SCS believes that a cure will happen via a combination treatment and have been working hard to integrate new scientific discoveries with current treatments. Regaining the ability to walk and restore sensory, bowel and bladder is the ultimate goal.

The SCS laboratory is an independent, privately funded center that receives its support through their volunteer Chapters. It is one of the few in the world to utilize the chronic contusion injury model, which most resembles the injury in people.

SCS has developed a safe method using a photo-toxic chemical probe to eliminate the problematic glial scar that develops naturally at the site of injury. It is being used as a first step before applying any combination treatments.

During the fall of 2008, the SCS researchers reached a milestone in the history of SCI research. Our scientists achieved up to a 30% return of function in laboratory rats—this a first for any laboratory in the world! Our work continues as we aim to improve on these current results.

SPECIAL THANKS

SCS extends our special thanks to those who have been generous and steadfast in their support. Those who are preparing for the current trials to cure paralysis are over whelmed with appreciation.

REGISTRATION

Event: 4- person amateur scramble.
Shotgun start at 10 A.M.

Event Fee: \$95 per person.
This includes 18 holes of golf, cart & dinner

Dinner & Auction Only: \$18 per person.

AUCTION

Each year we auction items from the finest restaurants, businesses, vacation destinations, sports teams and once in a lifetime packages.

SCS would be honored to receive for the auction any item or service which introduces our guests to your products or services.

We welcome your help in a variety of different ways: air transportation, cruises, resorts, hotel accommodations, restaurants, gifts, etc.

All sponsors receive verbal and published announcement in program.

Please contact SCS for more details in supporting the auction portion of the event.
